## CIRCULAR

Subject: Mandatory **Online Player Registration** for the Session 2026–2027

With a view to ensuring greater transparency, efficiency, and smooth functioning of administrative and competitive activities, the BASA is implementing an online player registration system is being introduced from the session 2026–2027.

Swimmers, water polo players, and divers must complete their registration online by visiting **www.basa.org.in**. The Player Registration Manual is available on the official website for guidance. A player registration fee of Rs. 100/- must be deposited with the respective district secretary or a person nominated by the district unit.

Registration will be finalized by the association only after recommendation and verification by the concerned district unit. Players must provide accurate and authentic information during online registration. Submission of incorrect or misleading information may invite disciplinary action by the Association. District units are also requested to exercise due diligence and carefully verify the details before recommending any registration.

It is hereby clearly stated that registration with the Association is mandatory. No player will be permitted to participate in any competition organized under the jurisdiction of the association without completing the registration process.

All district units are requested to ensure strict compliance with this circular.

Thanking you.
