Subject: Invitation to Affiliated District Associations / Units to Host State Championships & All Bengal Invitational Competition – 2026

It is hereby informed that the State Championships for the year 2026 in the disciplines of Swimming, Water Polo and Diving are scheduled to be conducted in accordance with the BASA Annual Calendar.

In order to finalize the venues well in advance, the Bengal Amateur Swimming Association (BASA) invites interested Affiliated District Associations / Units to submit their formal request letter expressing their willingness to host the State Championships 2026 in their respective districts.

The interested District Associations / Units must ensure that the standard norms, rules and infrastructural requirements prescribed for organizing State Championships by BASA are strictly complied with. Only those venues and organizers that fulfil the prescribed standards and conditions will be considered for allotment of the respective State Championship.

The Association encourages all affiliated units to actively come forward and take initiative to organize these prestigious championships, which play an important role in the development and promotion of aquatic sports across the State.

Further, all District Associations / Units are also encouraged to organize "All Bengal Invitational Competitions" in different aquatic disciplines during the year. Such competitions may be considered for inclusion in the official BASA State Calendar, subject to approval of the Association.

It may kindly be noted that priority will be given on a "First Come, First Considered" basis while incorporating such events in the State Calendar 2026.

All interested District Associations/Units are therefore requested to submit their application/request letter to BASA (email - swim.bengal@gmail.com) on or before 30th April 2026 for consideration.

Your active cooperation and initiative in hosting these competitions will significantly contribute to the growth and development of aquatic sports in West Bengal.

With warm regards.
